Dear Sir,

Sub: Updates - Launch of Notedome products in India

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 we wish to inform you that the Company will launch the products of its Wholly Owned Subsidiary Notedome Limited, UK, manufactured at the facilities of the Company in Chennai during September 2018.

It may be noted that the Company acquired Notedome Limited, UK in September 2016 through its overseas subsidiaries. Notedome, the UK-based manufacturer of high performance polyurethanes for the past three decades makes Nuthane Polyurethane Cast Elastomers of various specifications and supplies to over 45 countries across the globe. Notedome has been looking to expand its base in Asia and as part of achieving this, MPL, the ultimate Parent of Notedome, has commenced production of the said Notedome products at its facilities in Chennai and the products are being launched this month. The Notedome Division of MPL would cater to the needs of the Subcontinent and the South East Asian market.

We request you to kindly take the above on record

Thanking you,

Yours faithfully,
For Manali Petrochemicals Limited

R Kothandaraman
Company Secretary
